

# FARMING DELIVERS

## FOR NORTHAMPTONSHIRE

Northamptonshire's farmers farm 77% of the land area of the county

Every year, Northamptonshire's poultry farms produce nearly

**300 MILLION** EGGS AND **1.6 MILLION** ROAST CHICKENS

Northamptonshire's farmers generate

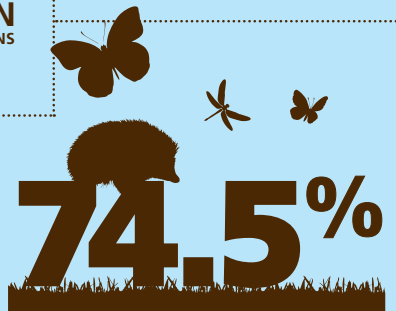

**£223 MILLION**

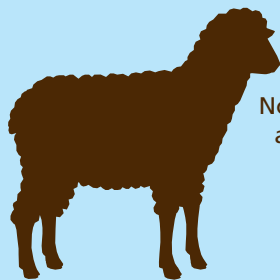

from all the livestock and crops they grow and we employ **4,108 PEOPLE** on our farms

We could make **365 MILLION** pints of beer from all the barley grown in Northamptonshire

of Northamptonshire's farmland is looked after in environmental schemes

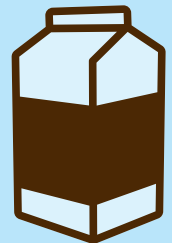

Northamptonshire's farms are home to more than **270,000 SHEEP**

The 30,662 ha of oilseed rape grown in the county would make more than

**32 MILLION LITRES** of vegetable oil

Our cows produce

**67 MILLION** litres of milk every year
