

The National Farmers' Union (NFU) is committed to ensuring its compliance with the requirements of the Data Protection Act 1998. We recognise the importance of personal data to our business and the importance of respecting the privacy rights of individuals.

In signing into the GSI system you are accepting your responsibilities in complying with the Data Protection Act 1998 and the NFU policies on Data Protection. The contents of any information viewed or obtained while dealing with NFU shall be treated as personal data or confidential information and therefore, must be kept secure and not be divulged to any unauthorised person without the prior written consent of NFU.

Any unauthorised disclosure or failure to securely dispose of personal data or confidential information covered by this agreement will amount to a breach of your agreement with the NFU. A party in breach of your agreement will be liable to compensate the NFU for any loss or damage suffered as a direct or indirect result of the unauthorised disclosure.
