PLEASE SUPPORT ARABLE FARMERS TO BE COMPETITIVE, RESILIENT AND SUSTAINABLE BY:

1. Maintaining trade as free and frictionless as possible between the UK and the EU post-Brexit
2. Implementing a suite of measures which ensure access to sufficient labour
3. Enhancing agricultural productivity and the farmed environment through investment in research, technology, skills, education and rural connectivity
4. Using science and evidence as a base for regulations that ensure safe and efficient agricultural practices
5. Providing a range of volatility mitigation measures underpinned by high quality market data to support income resilience for British farmers
