

**GRASSLAND
& MUCK**

MAY 2020

PARTNERED WITH YARA

OPPORTUNITY TO HOST GRASSLAND & MUCK 2020

The Grassland & Muck event is losing its site at Stoneleigh to HS2 and we are looking for a new home for this prestigious working machinery event.

If you have 200+ acres we could put down to grass and are looking for additional income then read on!

Taking place every 3 years it is the largest grassland machinery demonstration event in Europe, showcasing the latest machinery and technology from all the leading manufactures.

What makes the event totally unique is that the grass crop is grown specifically for the event to ensure the very best silage grass for machinery demonstrations.

CAN YOU HELP US WITH...

- A Midlands location
- Approximately 200+ acres
- Available to cultivate August 2019
- Returned to you end May 2020
- A lighter and well-drained soil type is preferred
- Relatively flat land and larger field sizes
- Proximity to main A roads
- Site can be split across a minor road and multiple landowners

"It has been an honour to host Grassland & Muck and be part of such a successful machinery event. The team are great to work with and I will be sorry to no longer host the event."

Alan Hunt, Estates Manager, Stoneleigh Park.

A GREAT OPPORTUNITY TO:

- Generate income
- Put grass into an arable rotation
- Be part of a prestigious agricultural event

WHAT WE ARE OFFERING

- ✓ Market rate rent for event area
- ✓ First refusal on contracting work to prepare the site (drilling, mowing, etc)
- ✓ We will supply all inputs – seed, chemical, fertilizer etc

A UNIQUE EVENT

- 11,000 farming visitors
- 230 exhibiting companies
- 190 acres of working grass and muck machinery demonstrations
- Grass variety plots grown in situ

WORKING WITH US

We are a small friendly team of specialists who have successfully run the Grassland & Muck Event since 2005 on behalf of the RASE. Between us we have many years of agricultural event experience and understand what is important to you as a landowner. Our team of advisors will work with you to deliver optimum grass for the event.

This is a great opportunity to host this prestigious event so if you have a potential site or know of one please do not hesitate to get in touch.
