

NIAB TAG National Agronomy Centre OPEN DAYS 2014

National Agronomy Centre

CAMPAIGN
FOR THE FARMED
ENVIRONMENT

YES!

The National Agronomy Centre Open Days
are back again covering the main themes of
Yield, **E**nvironment and **S**oil.

Morley,
Norfolk
Thursday
19th June

Sutton Scotney,
Hampshire
Wednesday
25th June

Caythorpe,
Lincolnshire
Thursday
3rd July

The NAC initiative promotes best practice for profitable, sustainable and efficient arable crop production with open access to research and practical information. The NAC open days are free to attend and are a mix of indoor exhibits, seminars and field based demonstrations, providing impartial information on a range of policy and agronomy issues, including variety and fungicides and weed management.

In addition to NIAB TAG, the NFU and the CFE, a range of other organisations and industry experts will be on hand including PGRO, AHDB-HGCA, ADAS, IBERS, JHI and TMAF with others to be announced.

More information, including programme of events,
is available at www.niab.com

FREE
and open to ALL.

 The Heath
 Leadenham
 Lincoln LN5 0QG

The National Agronomy Centre (NAC) initiative is an ongoing commitment by NIAB TAG, in association with a range of industry partners, to promote best practice for profitable, sustainable and efficient arable crop production. The initiative supports specific research objectives and communicates openly funded research for the benefit and improvement of UK crop productivity. The NAC platform is supported by The Morley Agricultural Foundation.
